

Shooting Stars Day Camp

Campers should bring the following items each day:

- Sack lunch with carb counts
- Insulin (will only need short acting unless take basal insulin mid-day)
- Syringes or pen needles
- Alcohol swabs
- Meter
- Lancet
- Test strips
- Extra batteries (or make sure you put new batteries in pump or meter)
- Blood sugar log for several days prior to camp (1-2 weeks)
- Sun hat
- Sunscreen (parents please apply in the morning before coming and we'll reapply at lunch and mid-afternoon)
- Sunglasses (if your child will wear them)
- Jacket (if needed for the mornings as we will be outside much of the day)
- Water bottle
- We ask that children wear the camp shirts that you will receive at registration everyday for easy identification
- Please be sure all your child's gear is labeled with their name

Additional Items for Water Activity Days:

- Towel
- Swim suit
- Change of clothes
- Water shoes (no flip flops)
